

Join the TAPS Run and Remember Team in the 2014 Big Wild Life Runs

Since 1994, the [Tragedy Assistance Program for Survivors \(TAPS\)](#) has been honoring our fallen military heroes by caring for those who they loved and left behind.

When you register for the TAPS Run and Remember Team, you are joining with thousands of TAPS runners across the country to remember and honor those who gave their life for our country. You are also helping to support the TAPS mission of providing immediate and long-term emotional help, hope, and healing to all who are grieving a death of a loved one in military service to America.

TAPS is honored to partner with the [Big Wild Life Runs](#), and we invite all BWLR participants to join the TAPS Run and Remember Team and help support the TAPS mission.

Registering is as easy as 1-2-3!

1. Register for the running event of your choice at the [Big Wild Life Runs](#) website.
2. Register on the TAPS Run and Remember Team's/Big Wild Life Runs website at: www.tapsrunandremember.org/BWLR (There is not a fee to register with TAPS).
3. Start fundraising on your personal page.

We ask for those participating in the 49K Ultra, Marathon, Marathon Walk, and Half Marathon to raise a minimum of \$250, and for those participating in the Marathon relay and 5K to raise a minimum of \$125.

We also ask that each runner run in memory of a fallen hero, and if a runner does not have a fallen hero to honor, the runner can request to be connected to a surviving military family and run in memory of their fallen hero. Runners can also choose to run for all of America's fallen heroes.

All TAPS Run and Remember Team participants will receive the signature TAPS Run and Remember Team jersey and a photo of the fallen hero they are honoring at the Big Wild Life Runs Expo.
