ABOUT ANCHORAGE RUNFEST

Anchorage RunFest (formerly Big Wildlife Runs) has been a staple event in the Anchorage running community since 2008. Since then the race has evolved from a small running event into a world-class marathon affair that attracts runners from across the globe. RunFest has become a much loved community event in Anchorage.

The Anchorage Running Club (ARC) is a 501(c)(3) not-for-profit organization and is run with a 100% volunteer staff. Funds raised by RunFest support the Anchorage Running Club's mission to promote a healthy lifestyle through running and exercise and is the main fundraiser for ARC. It is only through community member support that we are able to realize our mission.
